Sina's Newsletter

March – June 2026

Dear brothers and sisters in Christ,

Greetings in the name of our Lord Jesus Christ! I hope you are all doing well and experiencing God's grace in your lives. Praise God! I have reached my financial goal as a global core member in World Team. I am very thankful for your continued prayers, encouragement, and support over the past few months. God has been faithful, and I would love to share some updates from ministry and family life with you.

Plas Prai Organization: Over the past few months, I have continued serving students at the Plas Prai center. It has been a blessing to walk alongside these young people and help them grow in their relationship with Christ. We are very thankful that 5 students were baptized on June 18th! God has been working in their hearts, and we are excited to see them take this important step of faith in following Jesus Christ. I and the Plas Prai staff taught baptism lessons to help the students clearly understand the meaning of baptism, what it means to obey Jesus, and how to continue following Him faithfully as disciples of Christ. It is encouraging to see their desire to grow spiritually and publicly declare their faith in Jesus. Please continue praying for these students, that they will remain strong in their faith, continue growing in God's Word, and become faithful followers of Jesus Christ.

Our Plas Prai team also continued visiting students' families to build relationships, encourage parents, and share the love of Christ with them. Please pray that God will continue opening doors for the Gospel and strengthening these students in their faith. Last week, our Plas Prai staff team traveled to secondary schools in four districts — Rovieng, Chey Sen, Chaep, and Chaom Ksant districts — to select new 10th grade students for the upcoming school year. It was a wonderful opportunity to meet many students and their families from different communities. We are thankful for God's guidance and protection during our travels. Please pray that God will lead the right students to join the center, grow in their education, and come to know Jesus Christ personally through the ministry. So here is our Plas Prai's staff who always help with the students: Panhavion, Muntha, Sophea, me, Touch and Khoun. I am so thankful to God that God has called them back to serve in the Plas Prai Center after they came back from training at Battambang province.

Children's Ministry: Every Sunday morning, volunteer students and I continue to gather with children at my parents' house for children's ministry. We worship together, read Bible stories, sing songs, and spend time drawing and coloring after the lessons. The children are very eager to learn about Jesus, and I am always encouraged by their excitement. I also continue collecting Christian books for them to read. It is a joy to invest in the next generation and help them know God from a young age. Please pray that these children will continue to grow spiritually and that God will protect and guide them.

Serving at My Church: I continue helping at my local church whenever needed. During the past few months, I had opportunities to share the Word of God and assist in church activities. Serving the church remains a great joy and privilege for me. I thank God for allowing me to use the gifts He has given me to encourage others and serve His people.

Family and Personal Life: I continue spending time with my family and praying for them faithfully. Please continue praying for my parents and older brother to know Jesus personally. My younger sister and I are still the only believers in

our family, but we trust God to continue working in their hearts. I am thankful for special family moments together, especially during Khmer New Year and other gatherings, where we can show love and care for one another.

Thank you so much for your faithful support, prayers, and encouragement. Your partnership allows me to continue serving students, children, families, and the local church here in Cambodia.

Prayer Requests

- Please pray for the students at the Plas Prai center to continue growing in faith and wisdom.
- Please pray for the children's ministry and for the children to know Jesus deeply.
- Please pray for my parents and older brother to accept Christ.
- Please pray for the 5 students who were baptized on June 18, 2026. May God transform their minds to grow in Him and abide with Jesus and go deeper into God's presence.
- Please pray for wisdom, strength, and good health as I continue serving students in the Plas Prai center organization.

Thank you again for standing with me in prayer and ministry. May God bless you richly for your kindness and generosity.

With gratitude in Christ,

Sina

If you are led to partner with me in this ministry, please send your donation to:
World Team / 1431 Stuckert Rd / Warrington, PA 18976
